# ATARI MEGAFILE HARD DISK DRIVE

The hard disk formatting procedures described in the Owner's Manual (page 16, step 4) may include a new dialog box. Select a hard disk type in step 4 and clicking on OK. A new dialog box, similar to the following (label numbers in boxes could differ) may appear:

```
┌─────────────────────────────────────┐
│                                      │
│        Select the unit type:         │
│   ┌──────────┐ ┌──────────┐ ┌──────────┐
│   │ MCS5068  │ │ MSB5064  │ │ SEA5065  │
│   └──────────┘ └──────────┘ └──────────┘
│   ┌──────────┐                       │
│   │ NO LABEL │                       │
│   └──────────┘                       │
│                                      │
│                                      │
│                                      │
│      ┌──────┐      ┌──────────┐      │
│      │  OK  │      │  CANCEL  │      │
│      └──────┘      └──────────┘      │
└─────────────────────────────────────┘
```

If this new dialog box appears, note the number found on the Atari MEGAFILE label attached to the rear of your machine. Click on the dialog box that corresponds with the label number, then select OK. The alert message (step 5, page 16 of the Owner's Manual) appears.

Every effort has been made to ensure the accuracy of the product documentation in this manual.
